

Demonstrate thought leadership and build confidence with F&F professionals.

WEBCAST

Sponsor prepares the content and delivers the presentation for the webcast. Editors provide a one or two-minute opening introduction and may moderate a live Q&A at the end of the webcast, if sponsor desires. Webcast becomes a content asset that the sponsor owns.

WEBINAR

Editor develops the content, gathers speakers and will be part of the presentation. The content will cover subjects that are trending and highly engaging. This is a great option for sponsors who do not have a presentation prepared. Webinar remains the publisher's asset.
