The accompanying 4-page folio will educate the *Perfumer & Flavorist+* audience on your thought leadership in an area you wish to push to the forefront.

## **Perfumer & Flavorist+ – Resource for Sensory & Wellness Innovation**

*Perfumer & Flavorist+* delivers actionable technical, business and market insights for global fragrance, flavor and wellness innovation, including trends, ingredients, formulations, research and technology.

### **Cover Image Examples**

Images should be sensorial and feature, ingredients, food, beverages, fragrance, etc. that align with monthly themes and relate directly to fragrance, flavor and wellness.

All cover images need to be vertically oriented when possible.

Designers work with the scale and crop of each image to arrive at a final cover. Examples below show original images and how they can be manipulated for use on a cover. All covers are vertically oriented.
